Re: Little Giants Family Home Daycare referral

April 29, 2011

To whom it may concern:

It is my pleasure to write to you today as a referral to Little Giants Home Daycare located in Colma, Ca. I was referred to Claudia in May of 2009 by a friend of a coworker. I was specifically looking for a daycare that was small in numbers but large in heart. My son at the time was delayed in walking (age 1 yr 8 mo), and his previous daycare had recommended that he be removed from their care and placed in a smaller daycare, that would be able to focus on his needs. Little Giants Home Daycare was recommended highly to us. Claudia along with her parents and spouse were wonderful with my son during this difficult transition.

Her parents help her daily with the daycare operations, and her father in particular was instrumental in getting my son to walk and progress and develop to become age appropriate in a short amount of time! They have the patience and love that I think is required for being a good daycare. Claudia is always very professional with us, and great with our son as well as the other children. Claudia has such a wonderful relationship with the children; they all truly enjoy their time there! My son has learned to understand Spanish, as well as repeat the occasional Spanish word at home! All of the children play well together and are very socially active!

I would, and have, highly recommended Claudia and Little Giants Home Daycare to my friends and family!

Thank you,

Theo and Kristina
